Here is an easy way for our families to sell Innisbrook to out of town relatives and friends via the Internet. See information below.

Register One Student for Innisbrook Online Store Credits

1. Set up a user name and password.
2. From the EZ Menu, select **Register Students for Innisbrook Online Store Prize Credits.**
3. Select the student's teacher. All teachers will be listed if the chairperson entered the information. If not, enter the teacher's name, student's name and grade on the form. After all information is entered, select **Continue/Save.** The student is registered.
4. You are then given the opportunity to send e-mails to out-of-town family and friends about your school's sale. The e-mail includes your school number, the student's registration number and a link to the Innisbrook website. When the link is used, the numbers are automatically transferred for the customer. Innisbrook will gladly send the emails on behalf of the student. Just enter the e-mail addresses. Otherwise, the e-mail will be sent to your family to forward.
5. The student's registration number is provided at the end of the process.

Sending Additional E-mails

After students are registered for prize credits, you can return to the Innisbrook website at a later time to send additional e-mails.

1. Select Return 2009 Visitor and Log in.
2. From the EZ Menu, select **Send E-mails to Family and friends.**
3. Choose to have the e-mail sent to you or to enter e-mail addresses. The e-mail includes the school number, the student's registration number and a link to the Innisbrook website. When the link is used, the numbers are automatically transferred for the customer.
